Adaptable | Optimized | Collaborative

Today's workplace. Today's most adaptable furniture solutions.

Salamander Designs delivers innovative, complete AV Furniture design, manufacturing and superior customer service that will save you time and money when outfitting conference rooms, flex rooms, offices, huddle rooms, meeting rooms, training and education rooms and boutique spaces.

Helping you design beautiful, functional furniture systems that adapt to your technology is just part of what we do. We provide comprehensive solutions that help you connect people and maximize your technology for video and virtual conferencing, unified communications – whether you're working from home or across the globe.

SALAMANDER DESIGNS

Unified communication systems that connect people and ideas.

Flex Spaces.

Today's workforce is on-the-go and may be in-person, socially spaced or meeting virtually. The need to connect and collaborate easily at a moment's notice is vital.

FPS Electric Lift Mobile Stand with Speaker Mount

Specifications

Maximum occupancy
4 people

Recommended Screen Size
48”

With Salamander, now you can deploy the latest technology and seamless setup to every conference, meeting and space quickly – whether between managers, mid-sized team huddles or full-blown meetings with thousands around the globe.

Flex Spaces.

Salamander 337 Standard Profile Cabinet on wheels with Single Display Mount and Speaker Mount

Specifications

Maximum occupancy
6 people

Recommended Screen Size
48”

Conference Rooms.

7-10 People

Today's teams are video conferencing on an hourly basis. Small to medium conference rooms include displays, speakers, mics and more. Salamander furniture brings it all together, allowing you to collaborate easily and instantly.

367 Low Profile Cabinet with Dual Display Mount and Speaker Mounts. 4' x 12' Unifi™ Meeting Table, Trapezoid Shape

This furniture optimizes every display and camera position, sound systems and houses all components, to maximize technology and engagement. Tables come in many sizes, and the low-profile cabinet is ideal for rooms where space is at a premium.

Conference Rooms.
