

Flex Education Systems that Connect Students, Educational Facilities and Ideas.

Enhanced wireless e-learning experience

Offer remote and in-class students an exceptional e-learning experience and roll out Barco, Jabra, LG and Salamander turnkey solutions, to every classroom, session and space quickly.

- **Jabra Panacast** offers the full 180° view. Its Intelligent Zoom function automatically includes everyone in the conversation – even if room attendees maintain social distancing guidelines.

- **Jabra Speak** connects wirelessly via Bluetooth to the ClickShare Base Unit, removing clutter and wires on the classroom table.

- **Barco ClickShare Conference** allows you to collaborate seamlessly with all class participants and brings BYOM to any classroom, session and space quickly.

- **LG** is the leading provider of innovative, flexible and feature-packed Commercial products including large-format Display Products that are ideal for classroom, training facilities and more.

- **Salamander FPS Display Stands** deliver ergonomically correct component positioning that's optimized for remote and in-person learning with unprecedented flexibility, mobility and durability.

Open Classroom Collaboration – Anytime, Anywhere

Create an instant, on-demand classroom space with Barco, Jabra, LG and Salamander. With turnkey solutions, classroom configurations and learning can be more nimble, virtual and quickly adapt to any next gen educational space.
