Adaptable | Optimized | Collaborative

Furniture solutions to suit every Neat Board.

Today's workplace. Today's most adaptable furniture solutions.

Salamander Designs delivers innovative, complete AV Furniture design, manufacturing and superior customer service that will save you time and money when outfitting conference rooms, flex rooms, offices, huddle rooms, meeting rooms, training and education rooms and boutique spaces.

Helping you design beautiful, functional furniture systems that adapt to your technology is just part of what we do. We provide comprehensive solutions that help you connect people and maximize your technology for video and virtual conferencing, unified communications and Neat – whether you're working from home or across the globe.

SALAMANDER
